

39th Ocean Mapping Group Multibeam Course

**Co-hosted by:
Royal Navy and NetSurvey Ltd**

When and where:
24 to 29 October 2005
New Continental Hotel
Plymouth, UK

Highlights:

- World recognised course of excellence, including 36 course lectures and approx. 2500 double sided pages lecture notes;
- Lectures provided by four world renowned swath specialists;
- Based on a track record of over 35 previous successful (oversubscribed!) courses run worldwide;
- Demonstration of multibeam system;

Topics covered:

- Review of underwater acoustics and overview of acoustic seabed mapping systems;
- Multibeam principles and multibeam calibration methods;
- Positioning and motion compensation for multibeam surveys;
- Multibeam survey planning;
- Data structures and multibeam data processing;
- Seabed acoustic backscatter and characterization;
- Visualisation methods and quality control.

Cost:

Course enrolment is limited to a maximum of 50 participants. The registration fee of \$3,250 (USD) includes all course materials and lunch for all 6 days (but excludes accommodation). Accommodation is available at the venue at the cost of £65 (GBP) per night B&B. The booking for the B&B will be co-ordinated by the course organisers, but payment is to be made directly to hotel. Details of the venue can be found at the following web page - <http://www.newcontinental.co.uk/>
